

Thoughts

How impact Iphones economically?
How are they grow their market in India?
How they create an ecosystem?

Hears

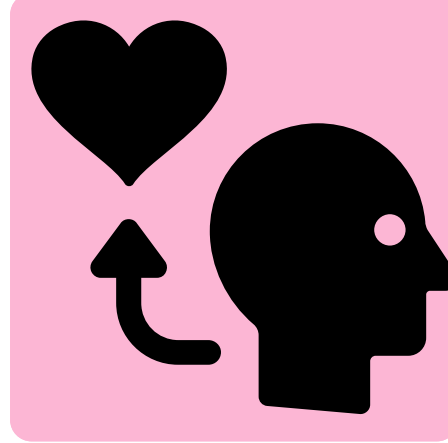

What are the challenges they face?
how are they competing with other brands?
How they influence others?

Does

What are they do to create an ecosystem?
Do they really update the latest phone?
what will they do to reduce the price of the Iphone?

Feels

What are we feel about job creation by the brand?
How we show off the brand and how it feels?
How satisfied the Apple users are?
